TRIBUTE TO OUR FOUNDER

The Methodist work in Malaysia began in 1885 in Singapore. Ten years later there arrived in Ipoh on 31st July, 1895 a young Englishman, the Rev. William E. Horley, who was destined to play a very large part in the educational and spiritual life of the youth of this country.

A few days after his arrival, on Monday 5th August, Mr. Horley opened the Anglo-Chinese School in a small thatched roofed wooden Malay house adjoining the Police barracks behind the old Land Office. Ipoh at that time was no more than a small mining village.

Mr. Horley began the A.C.S. with two Malay and two Chinese pupils. Soon afterwards he acquired four acres of jungle land off Lahat Road from the Government, and by May 1896, he had built the present Church which was used as a School five days of the week.

A few weeks after starting the Boys' School Mr. Horley founded the Girls' School with two pupils and later housed it in the Manse which was built by the side of the Church. It should be noted that the Girls' School remained an integral part of the A.C.S. till 1914, as a Branch School, until the Women's Foreign Missionary Society took it over in 1920.

Additional buildings were put up in 1898, 1901 and 1903, and two of these historic timber buildings are still in use today — one housing four Primary classes and the other housing 100 Hostel boys.

By 1910 the School had increased in enrolment to 603, so rapidly, that Mr. Horley was obliged to erect 4 thatched sheds to be used as classrooms. He then obtained a $25,000/- grant from the Government and raised $68,000/- from the public for the Main School Building facing Lahat Road. This building was commenced in 1912, and declared open in April 1914 by His Excellency, Sir Arthur Young. In 1926 Mr. Horley had the honour of being awarded the M.B.E. by His Most Gracious Majesty King George V in recognition of his services in the cause of education and social reforms in Malaya.

Mr. Horley who was connected with the A.C.S., as its founder, builder and Principal for over thirty years left Ipoh in March 1928, and three years later he suddenly passed away in Singapore during Easter on April 2nd, 1931, leaving behind him "a record of work all over Malaya which is given to few men to achieve in a lifetime."

Our founder was a man of vision who was ahead of his times in many ways than one. The Ipoh A.C.S. was the first of many schools founded by him and it was closest and dearest to his heart. We owe an immense debt of gratitude to him for the ideals that he laid down for this school which "stands for sound learning, loyalty to the State, honour to parents, ethics, moral training and faith in God, the fountain of all truth." These ideals enunciated by Mr. Horley, and his own life-time service which made his name a household word in Perak for almost two score years, have continued to inspire all those who have had the privilege of serving in this school.

WORDS OF WELCOME &
PRESENTATION OF BUILDING
Dr. Ng Yok Hing
(Chairman, Board of Governors)

We present unto you this Building to be dedicated to the service
of Almighty God in the enlightenment of his children.

Act of Dedication: Bishop Hobart B. Amstutz

Dearly beloved, it is right and proper that buildings erected for such service in the name of our
Lord and Saviour Jesus Christ should be formally and devoutly set apart for their special uses. For such
a dedication are we now assembled.

In the name of the Father, and of the Son, and of the Holy Spirit we dedicate this building to
the holy ministry of education.

Take fast hold of instruction; let her not go; keep her; for she is thy life.

We dedicate this building to the spiritual enrichment of all who shall come here in pursuit
of knowledge.

Happy is the man that findeth wisdom, and the man that getteth understanding.

We dedicate this building to the loyal service of those whose training and devotion have
prepared them to lead students toward the truth.

The Lord God hath given me the tongue of the learned, that I should know how to speak
a word in season to him that is weary.

We dedicate this building to that ministry of administration upon whose ability and fruitfulness
depends the wise conduct of its affairs.

Who then is that faithful and wise steward, whom his Lord shall make ruler over his house-
hold?. Blessed is that servant, whom his Lord when he cometh shall find so doing.

(THE BISHOP AND THE PEOPLE)

We dedicate ourselves anew to that service of our fellowmen wherein can best be performed
our true service of God, in obedience to the spirit of the Master when He said: Thou shalt love the
Lord thy God with all thy heart, and thy neighbour as thyself.
